A Better World provides students with i-Ready, a cutting-edge computer program built to give them personalized, interactive lessons to improve their reading skills. i-Ready provides measurable data on student progress, allowing A Better World to verify that students' reading goals are met and ensure they are on track to be reading on grade level by third grade.

### **A Better World - A Better World**

In A Better World could have been a better film if the story would have concentrated more with the family dynamics and the psychological effects that compound a child's indefensible adult world. But Bier's film is still one of the better example of filmmaking that will more that satisfy the intellectual and more serious-minded moviegoer today.
